YOUR CLUB NEEDS YOU

SPONSORSHIP

Sponsorship packs are available that can be handed out to businesses, friends, and family members which provides the opportunity to sponsor your club / players.

Sponsorship is offered at a variety of levels to suit most people's budgets. It is a great way for private individuals or local business to take part in supporting a community activity as well as raising their profile.

You can help the club by seeking sponsorship. Should you be able to help in this area please see any of the committee members about obtaining a sponsorship pack.

TICKET SALES

1. Every year the RFU runs a major raffle that covers the whole of the UK clubs. The money taken from these ticket sales is an easy way for your club to generate much-needed funds. From each ticket sold 90% goes back to the club.

The prizes usually vary from £7,500 cash and Airline Tickets to Gift Sets and Magazine Subscription. With prizes like these tickets shouldn't be hard to sell. Please speak to any committee member about acquiring your book(s) of RFU raffle tickets today.

2. Annual events are also organised. These are a great way of improving club, member and community relations whilst generating extra income. Tickets are made available 6-8 weeks in advance of the events to give people time to plan.

Friends & family are all welcome to take advantage and enjoy the festivities laid on. You can help by promoting these events and selling on as many tickets as possible. All profits raised go to development of the club and enhancing the facilities.
