Dear Member,

Annual subscriptions are due. If you haven't paid already or discussed a staged payment option with a committee member please be aware that all subscriptions are required by 31st October every new season.

Your subscription is vital to our clubs operation. Subscription payments cover the costs of essential training and match day gear. More importantly your subscription ensures your cover from the RFU arranged players insurance.

If you are unsure of the subscription you are required to pay please refer to the information below.

Membership subscriptions:

- Full playing membership @ £30.00
- Full non-playing membership @ £15.00
- Junior membership @ £15.00
- Life membership 10 x Annual Subscription

On payment of your subscription you will receive the following benefits:

1. Members information pack
2. RFU players insurance cover
3. Priority access to international ticket allocation
4. Regular club updates through the Team Talk newsletter
5. Discounted membership at the Holiday Inn gymnasium
6. Garforth RUFC car sticker

Attached you will find a contact form. If you could spare a few moments to fill the form in and send it back with your subscription to the return address we will update your details accordingly.

If your membership has lapsed due to moving, not actively playing or you wish to unaffiliate with Garforth RUFC your notification would be appreciated.

The funds we raise together are crucial for the future development of our club. Should you be aware of any other individuals who wish to become a member or wish to investigate sponsorship with Garforth RUFC your help in introducing them would be welcomed.

In the mean time may I take this opportunity to thank you for your continued support and patronage to Garforth RUFC.

Yours sincerely,

Mark Trickett
Hon. Chairman Garforth RUFC
